

St. Kingsmark Bowmen
Host the
Gwent County AA Indoor Championships
At
Beachley Army Camp Gym

The GCAA Annual Portsmouth will take place at Beachley Army Camp Gym, Beachley, nr Chepstow, S. Wales on 4th November 2018

This location will not be known to many people but is very easily found, directions are printed via a map on the rear of the entry form that can be downloaded from the club web site or by following the directions below.
Google link: "Beachley Barracks Main Gate" SATNAV **NP16 7YG**

There is only one way to get to Beachley and that is from the A48 Chepstow to Gloucester Road.
Coming from S.Wales you will leave the M48 Motorway (the old M4) at Chepstow and turn left up the main road to Chepstow.
1 mile up the road you come to Larkfield Roundabout where you can turn left to go to Newport, straight on to go to the race course or right to take you into the town centre. You will turn right and head down the hill towards Chepstow on the new bypass, you will see Tesco on your right hand side. Ahead of you will be a bridge going over the gorge, as you start to rise up the hill and under the bridge there is a turning to the right marked Sedbury, Beachley and Barracks. Take this road and follow it around to the left at a roundabout, then straight on for about a mile. You will see the entrance to the barracks on your right hand side; it is through a pair of gates that will be guarded by security.

Please bring your GNAS Card and Photo Driving License with you as this will gain entry to the camp.

As there will not be a canteen available on the day can you make sure that you bring sufficient food and drink to last the tournament, There will however be the usual Tea/ Coffee & Cakes available throughout the day.
Could we ask you all to bring a cup and a plate with you to help reduce the amount of recycling during the day.

St Kingsmark Bowmen can't guarantee that chairs will be available on the day so you may need to put one in your car for safety.
All Archers this year will be shooting at layered foam targets so there is no need to wax arrows.

Once inside the Camp you will be guided by signs to the Main Car Park, you must not park anywhere else as security here is very tight and unauthorised parking may result in the loss of your vehicle.

Scare over: The officers of the camp are very helpful and have given us a lot of help in the arranging of this tournament and I am sure it will be enjoyed by all. May I wish all archers a good days shooting.
