

SKB Portsmouth Badges

These badges are earned shooting a Portsmouth round which is probably the most popular indoor round shot and are free to all senior and junior club members of the club for one bow style only.

The badges are available in 25 point increments and the club will award the first adult badge at 350 points scored. The first junior badge will be awarded at 300 points.

The badge will automatically be awarded when you have earned it - all you need do is submit your score sheets with a witness counter signing it.

Please note that only the first round shot on a particular day can be counted.
